THE FRIDAY WOODMERE MUSIC CLUB 2009

President Roslyn Ziff

The Friday Woodmere Music Club is a non-profit organization made up of performing classical musicians. Marion Davis Becker, was one of the founders and a major contributor. For many years, she was responsible for giving the young artists the opportunity to be auditioned by distinguished judges and presented in concert. Our joy and satisfaction comes from the contribution we make toward their growth and development.

We are grateful to the Board of Trustees of the Hewlett-Woodmere Library for their wonderful support and the use of their beautiful Gold Hall. We wish to thank the members and friends of the Friday Woodmere Music Club and our many contributors for their generous support. Without their help this project could not continue. A huge thank you to Robert Sherman of WQXR for his continuing interest in our young artists.
